

PRIVACY POLICY

Our Commitment

We have developed this Privacy Policy in order to demonstrate our firm commitment to privacy and to deliver a premium web site with superior service. This Policy is intended to help you understand how we collect, use and safeguard the personal information that you furnish us. This Policy will be reviewed and updated on an on-going basis to keep pace with the changes in our business practices as well as the introduction of new technologies. Therefore, we encourage you to frequently check this page.

We may contact account holders via e-mail, or by other means, in order to administer their account, send them updates, inform them of any special services, or to contact them with questions in regard to there account.

Registration and Order Forms

In addition to the forms used in our database, we may use other forms on our web site to collect certain information or to allow users to register for particular services. Your contact information will be used to communicate with you when needed for administrative purposes concerning your account. Your e-mail is used as an identifier in our database as well as to send you updates.

How We Use Your Information

We use your personal information for the purposes of managing our Web site's activities, providing customer care, and to allow you access to services and products provided by us. From time to time, we may use the information we collect in order to notify you about any special updates or offers that we think might be of interest to you and/or to notify you of any changes concerning our Web site.

Links to Other Web Sites

Our web site may contain links to other sites. Such outside companies have their own privacy policies and data collection practices and we are not responsible for their privacy practices or the content of such web sites.

Security of Your Information

The data we store in our computer system is secured by a firewall and password.

We also protect your personal information in other ways:

1. Corporate Policy: Our company policies and practices are there to protect our customers. Only authorized employees will have access to your personal information.
2. Security Software: We use a firewall designed to keep unauthorized users from entering our network.
3. Protection Assessment: From time to time we assess and review our company's policies and procedures in regards to the information we collect to ensure that your non-public information is safe.

Legal Rights

We may be legally required to disclose information under certain circumstances and we will do so to protect and preserve our legal rights.

Your Consent

Your use of our web site constitutes your acceptance of our terms of service.

Please note: We reserve the right to make changes to our privacy policy at any time with or without notice. We therefore encourage you to frequently check this page.
